

Youth Brigade, It's Not My Fault

IT'S NOT MY FAULT
(words S. Stern, music YB)

Listen up I got something to say
I want to say it now before it's too late
It's important that you know just how I feel

I don't need to say, where I was or that I said
I don't have to defend myself
I'm not like that

It's not my fault, don't blame me
It's not my fault, saw it on TV
It's not my fault, it was a voices in my head
It's not m fault, the gun was full of lead

I've got nothing to hide, but I'll say it anyway
No one should even try to blame me
It's important that you know it wasn't me

I don't need to say, where I was or that I said
I don't have to defend myself
I'm not like that
I can't say whose fault it was, but I'm sure that it's not me
Responsibilities just a word

It's not my fault, your life's a joke
It's not my fault, the kondom broke
It's not my fault, I need therapy
It's not my fault, your casualty
It's not my fault, I couldn't help myself
It's not my fault, I was afraid for my life
It's not my fault, you can't find the bloody knife
It's not my fault, it was a struggle & strife

I can't say whose fault it was, but I'm sure that it's not me
Responsibilities just a word
I avoid it frequently
I can find excuses for the minutest trivialities
Cause one thing I know is that it's not my fault,
