

# Youth Brigade, Somebody's Gonna Get Their Head

So everybody is rockin' and everyone is feelin' alright - alright  
It's all when the youth and there's soon gonna be a fight - be a fight  
It says someone's gonna get their head kicked in tonight!

Everybody is rockin' and everyone just wants more - more  
So there's gonna be a pool of blood on the dancin' floor - floor  
Somebody's gonna get their head kicked in tonight!

We're gonna rip off the halls - rip off the walls  
Tear down the walls - Tear down the wall  
All those boys, gonna be a big fight  
And ... take it outside

Everybody is rockin' and everyone just wants more - more  
So there's gonna be a pool of blood on the dancin' floor - floor  
Somebody's gonna get their head kicked in tonight!

We're gonna rip off the halls  
Tear down the walls  
All those boys, gonna be a big fight  
And ... take it outside

Everybody is rockin' and everyone just wants more - more  
So there's gonna be a pool of blood on the dancin' floor - floor  
Somebody's gonna get their head  
Somebody's gonna get their head  
Somebody's gonna get their head kicked in tonight!
