## Youth Group, Daisychains

Listen now my sweet and I didn't mean to cause you pain We could have spent our summer Sitting here making daisychains

I lie awake at night Staring at my roof Now you're gone

For weeks I've had your pretty face hanging in my brain It's suspended like the reflection In a window pane

You hang just like a ghost Over city streets Now you're gone

How could i begin to finish What i couldnt start I'm more general hey ??? Than napolean bonaparte

Oh go now just leave No more words please Now you're gone

Listen now my sweet and I didn't mean to cause you pain I could have spent all summer Sitting here making daisy chains

I lie awake at night Staring at my roof Now you're gone
