

# Youth Group, Forever Young

Let's dance in style, let's dance for a while  
Heaven can wait we're only watching the skies  
Hoping for the best but expecting the worst  
Are you gonna drop the bomb or not?

Let us die on let us live forever  
Don't have the power but we never say never  
Sitting in the sandpit, life is a short trip  
Music's for the sad man

Can you imagine when this race is run?  
Turn our golden faces into the sun  
Praising our leaders, getting in tune  
The music's played by the mad man

Forever young, I want to be forever young  
Do you really want to live forever?  
Forever, forever  
Forever young, I want to be forever young  
Do you really want to live forever?  
Forever, forever

Some are like water, Some are like the heat  
Some are melodies, Some are the beat  
Sooner or later they'll all be gone  
Why don't they stay young?  
It's hard to get old without a cause  
I don't want to perish like a fading horse  
Youth is like diamonds in the sun,  
And diamonds are for-ever  
So many adventures couldn't happen today  
So many songs that we forgot to play  
So many dreams swingin out in the blue  
We'd let them come true

Forever young, I want to be forever young  
Do you really want to live forever?  
Forever, forever  
Forever young, I want to be forever young  
Do you really want to live forever?  
Forever, forever

Forever young, I want to be forever young  
Do you really want to live forever?  
Forever, forever  
Forever young, I want to be forever young  
Do you really want to live forever?  
Forever...
