

Youth Of Today, Anarchy In U.K.

I am an antichrist, I am an anarchist
Don't know what I want
But I know how to get it
I wanna destroy the passerby
'cause I wanna be anarchy
No dogs body Anarchy for the U.K.
It's coming sometime and maybe
I give a wrong time stop a traffic line
You'r future dream is a shopping scheme
Cause I wanna be anarchy In the city
How many ways to get what you want
I use the best I use the rest
I use the nemy I use anarchy
Cause
I wanna be anarchy
It's the only way to be
Is this the M.P.I.A. or
is this the U.D.A. or
is this the I.R.A.
I thought it was the U.K.
Or just another country
Another council tenancy
I wanna be anarchy
Oh what a name
and I wanna be an anarchist
Get pissed
Destroy!
