

# Youth Of Today, Break Down The Walls

I used to think that labels were just symbols of pride  
but over time I've seen they only serve to divide  
it's so easy to judge people by the way they seem to be  
we must overcome this problem to live life peacefully  
break down the walls!

yes, we'll break down the walls !

look beyond the fashion or the crowd that they are in

look beyond their riches or the color of their skin

look beyond appearance and the truth you will find

look for what's inside before you make up your mind

break down the walls!

we'll break down the walls !
