

Youth Of Today, Minor Threat

We're not the first, I hope we're not the last
'Cause I know we are all heading For that adult crash
The time is so little, the time belongs to us
Why is everybody in such a f**king rush?
Make do with what you have, Take what you can get
Pay no mind to us, We're just a minor threat
We're just a minor threat
Early to finish, I was late to start
I might be an adult, I'm a minor at heart
Go to college, be a man, what's the f**king deal?
It's not how old I am, It's how old I feel
Take your time, Try not to forget
We never will, We're just a minor threat
We're just a minor threat
