

# Youth Of Today, Understand

I'm caught in a rage I'm ready to fight  
my stance is so strong but I've lost my clear sight  
your thoughts and your actions make me want to attack  
but I'll try to understand i'll try to step back  
takes more strength to put down your hands  
I've fought before and I know I can  
I don't want to get hostile I'd rather understand you  
and try to figure out why you do what you do  
cut out that act better step back  
you know we can understand  
you feel it inside you know it's not right  
when you know we can understand each other
