

# Youthmovie Soundtrack Strategies, The Naughtie

I tried to survive these garrisons of sweethearts with cataplexies.

Possum tricks: I'm dead not sick, dead not sick.

These teenage landscapes make paragons of animal behaviours,  
and these teenage landscapes make heroines with the salt of.

These teenage landscapes make paragons of animal behaviours,  
and these teenage landscapes make heroines with the salt of foolishness.

The foolishness of shedding salt.

Oh, this is what Maddy said:

She said it was a case of not knowing too much at all

Broken up with things like Fitz-Gerald's wall, the kids drawings with black pens and skateboards.

In fact it was over when you pinned me, it was over when i pinned you.

Oh, this is what Maddy said:

She said it was a case of not knowing too much at all

Broken up with things like Fitz-Gerald's wall, ridiculous jeans, rage against the machine. Stop lister

These teenage landscapes make paragons of animal behaviours,  
and these teenage landscapes make heroines with the salt of foolishness.

The foolishness of shedding salt.

These teenage landscapes make paragons of animal behaviours,

and these teenage landscapes make heroines with the salt of foolishness.

The foolishness of shedding salt.
