

Yu-Gi-Oh, Power Within

As far as the eye can see
There's so much uncertainty
I'm not blind
I see the truth
Open my eyes
I never knew the strength inside of me
Could ever make me wanna help to change the world
Follow my destiny
Hope's not gone
You're gonna see
It makes a difference
When you beleive

The power within
Can make the pyramid of light
Shine forever
Until the eighth millenium
We're gonna be together
But I don't know how
And I don't know when
All I know
We're gonna win

There's a hope for a balanced world
Yeah
And it's written in the cards
We are strong
When we are one
There's a higher purpose
Waiting for us

The power within
Can make the pyramid of light
Shine forever
Until the eighth millenium
We're gonna be together
But I don't know how
And I don't know when
All I know
We're gonna win

And you know
You can rely on me
For advice
You'll stay in my heart
And I don't
(Don't wana go)
Don't wanna go
(Don't wanna leave)
Don't wanna leave
But the power within

The power within
Can make the pyramid of light
Shine forever
Until the eighth millenium
We're gonna be together
But I don't know how
And I don't know when
All I know

The power within
Can make the pyramid of light
Shine forever

Until the eighth millenium
We're gonna be together
But I don't know how
And I don't know when
All I know
