

# Yu-Gi-Oh, The Heart Of The Cards

Long ago in ancient times  
A sacred game was played with both spirit and mind  
Seven items hold the mystery, Puzzle, Eye, Necklace, Ring, Rod, Scale, and the Key

Who will make the final stand?  
Make the move  
The answer lies in your hand  
And whether you win or lose  
Hangs in the balance with  
The card you choose

(Trust) trust in the heart  
Don't let down your guard  
The heart of the cards  
No battle's too hard  
Remember to trust in the heart of the cards  
(Yu-Gi-Oh!  
Yu-Gi-Oh!  
Time to duel!)

There's a presence deep within  
Search your soul take control  
You will win  
Two forces intertwine  
Just need the guidance of  
An open mind

There's a power that's all around  
It descends from the friends who won't let you down  
And when you come undone  
They stand by your side till the duel is won

(Trust) trust in the heart  
Don't let down your guard  
The heart of the cards  
Don't battle too hard  
Remember to trust in the heart of the cards  
(Yu-Gi-Oh!  
Yu-Gi-Oh!  
Time to duel!)

(Music)

(Trust) trust in the heart  
Don't let down your guard  
The heart of the cards  
Don't battle too hard  
Remember to trust in the heart of the cards  
(Yu-Gi-Oh!  
Yu-Gi-Oh!  
Time to duel!)
