

Yung Bleu, Fight For Me

You spent a lot of time trying to give your life to me
Now we out of time, tell me would you die for me?
I need you to fight for me
You spent a lot of days trying to make your case for me
Now you in a daze, tell me would you wait for me?
I need you to fight for me
Don't call up your daddy, you know he don't like me
Don't look for advice in the ones who despise me

I need you 'cause you spent a lot of time trying to give your life to me
Now we out of time, tell me would you die for me?
I need you to fight for me
So call up your mama, you know that she love me
Treat me like your family, don't put nothing above me
I need you 'cause I spent a lot of time trying to make it up to you
But you in your zone, I don't wanna fuck with you
I don't wanna, I don't wanna
I hope the liquor not leading you on
I'm fantasizing 'bout turning you on
Bang-bang-bang-bang, hear the shots out the gun
Fight for my life, girl, you know I'm the one

You spent a lot of time trying to give your life to me
Now we out of time, tell me would you die for me?
I need you to fight for me
You spent a lot of days trying to make your case for me
Now you in a daze, tell me would you wait for me?
I need you to fight for me
Don't call up your daddy, you know he don't like me
Don't look for advice in the ones who despise me

I need you 'cause the pain make you stronger, the fear make you braver
Heart breaks make you wiser but I wanna save you, hey
Girl, stay loyal, stay faithful, stay true
Don't do to me what I did to you, what I did to you
I know I'm selfish but girl, I can't help it
Niggas can't take what they dish out
But you know if you leave, you gon' miss out
But when the tables turn, it's my time to burn

You spent a lot of time trying to give your life to me
Now we out of time, tell me would you die for me?
I need you to fight for me
You spent a lot of days trying to make your case for me
Now you in a daze, tell me would you wait for me?
I need you to fight for me
Don't call up your daddy, you know he don't like me
Don't look for advice in the ones who despise me

I need you 'cause you spent a lot of time trying to give your life to me
Now we out of time, tell me would you die for me?
I need you to fight for me
You spent a lot of days trying to make your case for me
Now you in a daze, tell me would you wait for me?
I need you to fight for me
Don't call up your daddy, you know he don't like me
Don't look for advice in the ones who despise me

I need you 'cause...
