Grandma told me get that paper and bring some more to her  
And they always told me go and grind, never fall in love  
When you havin' all of this paper you don't know who to trust  
Ooh when you be havin' all of this paper, be hard to put it up  
Check on his head, I put it up, play with the boy, we pullin' up  
Got me a bag and filled it up, yeah  
I'm in my bag, I'm 'bout to bust  
Forty pointer, this shit flooded, huh yeah  
Real hustler, when you runnin' out of paper, we runnin' it up  
And we ain't worried 'bout a nigga ever takin' from us  
And stayed down, came up, made that money triple up, real hustler
