

# Yung Bleu, Love In The Way (feat Nicki Minaj)

Got this world in our hands  
Like a pearl in a clam  
We're lettin' go

Ayo

You blew it, I could tell you knew it  
But you was like, "Screw it, " and I guess I'm fluid  
'Cause I was like, "Fuck you and them bitches included"  
'Cause I was goin' through it, ain't nothin' more to it (to it)  
Baby, your love in the way (my way)  
But don't stop it, just keep doin' what you do  
How could I move with your love in my way? (My way)  
It hurts to love again and it's all because of you  
'Cause, baby, your love in the way (your love)  
I need you right now, why would you push me away? (No love)  
Baby, your love in the way  
I need you right now, why would you push me away?

Girl, let's move

If you can't dance, grab my hand, just do a little one-two (one-two)  
It hurts to love again and it's all because of you  
I love when you dance to the music, the DJ is playin' the right tunes  
It's hard to love again and it's all because of you  
(Yeah, yeah, yeah, all because of you)  
It hurts to love again and it's all because of you (all because of you)  
I'm beggin' for it (beggin' for it)  
I see you givin' me those eyes, can't ignore it (I can't ignore it)

And I'm beggin' for it (for it)

I love it when your love in the way (in the way)

I don't think paradise too far away

I don't think every star is out of space

'Cause your love in the way

Holdin' on for dear life

I'm just here for one night

Can't trust these women 'cause your love in the way

Leading my way, what can I say?

Girl, let's move

If you can't dance, grab my hand, just do a little one-two (one-two)  
It hurts to love again and it's all because of you  
I love when you dance to the music, the DJ is playin' the right tunes (the right one)  
It's hard to love again and it's all because of you  
All because you too busy talkin', no listenin'

You too busy doin' the talkin', no listenin' (all because of you)

I would put my ear to the walls and listen in

(It hurts to love again and it's all because of you) (all because of you)

Right hand on my head, I'm like, "Aw, not this again"

All because you too busy talkin', now listen in

You too busy doin' the talkin', no listenin'

I would put my ear to the walls and listen in

Right hand on my head, I'm like, "Nah, not this again" (not this again)

One minute you here and then you gone (gone)

Seem like your biggest fear to be alone (be alone)

I was givin' you your space, I was runnin' through your mind

But you runnin' out of time this time

What you expect? You never had a queen on deck

I never was the type to be next, I'm the type to be kept

I'm the type to make a nigga regret that he slept

Girl, let's move

If you can't dance, grab my hand, just do a little one-two (one-two)

It hurts to love again and it's all because of you

I love when you dance to the music, the DJ is playin' the right tunes (the right one)

It's hard to love again and it's all because of you

(Yeah, yeah, yeah, all because of you)

It hurts to love again and it's all because of you (all because of you)

Yeah, yeah, yeah, yeah, yeah (all because of you)

Yeah, yeah, yeah, yeah (it hurts to love again and it's all because of you)

Yeah, yeah
