

Yung Bleu, Play Time

Playtime

Playtime

Playtime is over girl

Playtime is over girl

Playtime is over girl

Playtime is over

You 'bout to get this dick tonight

You 'bout to get this dick tonight

You 'bout to get this dick tonight

You 'bout to get this dick tonight

Playtime in the daytime

But the nighttime

Is the right time

I wanna love you

Wanna fuck you

Can I trust you?

You nasty, you classy

My little freek-a-leek

I wanna sneak a peek

Got you between the sheets

Come kick it with a G

Playtime is over

Got you on top of the mattress

Make you cum, automatic

I got you callin' me daddy

Got you callin' me daddy

Get a plane ticket, first-class and be on your way

Yeah, yeah, yeah

Playtime is over girl

Playtime is over girl

Playtime is over girl

Playtime is over

You 'bout to get this dick tonight

You 'bout to get this dick tonight

You 'bout to get this dick tonight

You 'bout to get this dick tonight

Bentley coupe, with my boo

Let's drop the roof, drop the rules

She twenty-two, and she the truth

She twenty-two, but she the truth

I just got the phone call

And girl you know I'm on call

And she just sent the late text

I think she want some late sex

I buckle with a latex

I have to practice safe sex

And now you got me racin', yeah

'Cause I just wanna taste it

Playtime is over girl

Playtime is over girl

Playtime is over girl

Playtime is over

You 'bout to get this dick tonight

You 'bout to get this dick tonight

You 'bout to get this dick tonight

You 'bout to get this dick tonight

Playtime in the daytime
But the nighttime
Is the right time
I wanna love you
Wanna fuck you
Can I trust you?
Playtime in the daytime
But the nighttime
Is the right time
I wanna love you
Wanna fuck you

You 'bout to get this dick tonight
You 'bout to get this dick tonight
You 'bout to get this dick tonight
You 'bout to get this dick tonight
