Get these rackades, no time to be worried 'bout a nigga  
When it's beef time, pull up on the curb with my nigga  
Want revenge for my homie, now you buried 'bout a nigga  
I ain't sparing no drama, just pull up with the gang  
Make it bang bang, put you in that thing, make it rain

It's a touchdown, diamonds on me, look at us now
