

# Yung Bleu, Time Heals (feat. Baby B)

They say time heals  
They say time heals  
I don't know how to feel  
They say time heals  
They say time heals  
I don't know how to feel (Mmm)

We can't fuck like we used to do  
We can't chill, I can't trust like I used to do  
I been takin' narcotics to numb me  
I remember I was drug-free  
I remember when you loved me  
Scratching on me when you cumming

Now I heard you got a new boo with a new coupe  
Do he do what I did to you?  
Now I heard you got a new boo with a new coupe  
Do he do what I did to you?

They say time heals  
They say time heals  
I don't know how to feel  
They say time heals  
They say time heals  
I don't know how to feel

I had the key to her dorm when she went to Kentucky State  
I was fuckin' her roommate  
I made a mistake  
I was wearin' her tracks out like a mixtape  
I was tellin' you time would heal you  
But when you did that shit to me, I swear it looked familiar  
I let another nigga steal you  
Heart broke in different places, seein' different faces, giving you the wrong impression  
I was in the hills fuckin' Hollywood hoes, now I owe you a confession  
Tell the truth, she wasn't even all that fine, girl, I just needed some becky  
I just needed entertainment, I been on the road and you know a nigga be stressin'

See you ride in a new coupe with your new boo  
Do he do what I did to you?  
See you ride in a new coupe with your new boo  
Do he do what I did to you?

They say time heals  
They say time heals  
I don't know how to feel (They say time heals)  
They say time heals  
They say time heals  
I don't know how to feel

We can't fuck like we used to do  
I can't trust like I used to do  
Mmm  
I remember when you loved me
