

Yung Bleu, Time To Myself

My heart don't pump no blood no more
My heart won't let me love no more
I don't wanna go to the club no more
I ain't lookin' for no bitch I can fuck no more
'Cause I, I need some time to myself, I need time
I need some time to myself, I need time
I need some time to myself, I need time
I need some time to myself, I need time

I need some time and I ain't talkin' 'bout a little bit (And I know all)
I'm just so sick and tired of arguin' over little shit (Little shit)
That petty shit (Petty), like, "Who is this?"
"Why you like her picture?" Man, it's just a fuckin' picture (The fuck?)
You gon' criticize a nigga if I'm right or wrong, fuck it (Either way)
Pack my bag (Pack my shit) now I'm truckin' (Now I'm truckin')
Now we fuckin' (Real), we makin' up
Just last Friday we was breakin' up, now...

My heart don't pump no blood no more
My heart won't let me love no more (I can't love)
I don't wanna go to the club no more (No, no)
I ain't lookin' for no bitch I can fuck no more
'Cause I, I need some time to myself, I need time (I need time)
I need some time to myself, I need time
I need some time to myself, I need time
I need some time to myself, I need time

Pressure bust pipes, I would fuck you just right
Outta town, catch a flight, got that pussy gettin' tight
Come ride this dick like a bike don't be scared (Don't be scared)
Come ride this dick like a bike don't be scared (Don't you be scared)
She gon' fuck me good (Good), she gon' do the most (Most)
I open her message (Message), now I'm so confused (I am so confused)
Now I'm so confused (I'm like, damn do I wanna, do I wanna leave?)
Yeah, got me runnin' back, that lil' pussy like crack

My heart don't pump no blood no more
My heart won't let me love no more
I don't wanna go to the club no more
I ain't lookin' for no bitch I can fuck no more
'Cause I, I need some time to myself, I need time
I need some time to myself, I need time
I need some time to myself, I need time
I need some time to myself, I need time
