

Yung Bleu, Tired Of You

You can get all of me, my baby
You take the air that I breathe, my baby
You can't be scared of your dreams, no, baby
I'm falling in love again
Yeah, I'm so tired of you
Running right back when I need someone
Planning on giving it away
'Cause I don't wanna deal with it no more
Baby, don't play with me
Running right back when you need someone
Planning on giving it away
And you don't wanna deal with me no more
I'm running out of luck
So I don't give a fuck
I need someone I can believe in
'Cause I don't wanna cry no more
(I don't wanna cry no more)

You don't have to go
Just chill for the night
Just come take my soul
It's yours for the night
Kissing on your stretch marks
Ooh, girl, turn on the lights
Her imperfections
Ooh, girl, that's what I like
You wanna give it away
You can give it away
Don't let me get in your way
These bitches they mad
And like baby, you pretty today
You looking so pretty today
Baby, come give me that mmm
Can I come over, say (Mmm)
We making love you say (Mmm)

You can get all of me, my baby
You take the air that I breathe, my baby
You can't be scared of your dreams, no, baby
I'm falling in love again
Yeah, I'm so tired of you
Running right back when I need someone
Planning on giving it away
'Cause I don't wanna deal with it no more
Baby, don't play with me
Running right back when you need someone
Planning on giving it away
And you don't wanna deal with me no more
I'm so tired of you
Running right back when I need someone
Planning on giving it away
'Cause I don't wanna deal with it no more
Baby, don't play with me
Running right back when you need someone
Planning on giving it away
And you don't wanna deal with me no more

You never wanted this like I did
You never really had no idea
You had me drowning in my fears
Love is a dangerous game
You can get all of me, my baby
You take the air that I breathe, oh baby
You can't be scared of your dreams, no, baby

Falling in love again
Hmm, I'm so tired of you
Running right back when I need someone
Planning on giving it away
'Cause I don't wanna deal with it no more
Baby, don't play with me
Running right back when you need someone
Planning on giving it away
And you don't wanna deal with me no more
