

# Yung Bleu, Tracy's Song

Balling on you  
Shopping sprees, you know I put some dollars on you  
I wanna fuck in a condo, I had to strike up a convo  
I like the way you talk, I like the way you walk, hey  
So don't tell me to go, don't tell me no  
Just go with the flow, outside when it's cold  
I'll be your soldier, anything you need, just let me hold you  
I'm gon' make sure I give you

Yeah yeah, yeah  
I'ma make sure  
Hey  
Balling on you  
Shopping sprees, you know I put some dollars on you  
Yeah yeah yeah, yeah yeah yeah

Splurging on you  
Louis bag, you know I keep them purses on you  
I'm feeling the vibe, let's hop in the ride  
Put your panties to the side, put your pride to the side  
Don't tell me a lie  
I'm penetrating you softly (softly)  
She be like baby be cautious  
I got you wet like a faucet, hey  
I'ma fuck you in the closet  
I wanna catch up on you  
You tell me that you feeling X-rated, you ain't have sex lately  
Let's go half on a baby, let's go half on a baby  
You want a piece of my love, you wanna be with a thug  
Lick your toes while you lay in the tub  
Ass up, got your face in the suds  
Young nigga got it straight out the mud  
Sex flip and we making it flood  
He can never make you feel like I does  
They just like me because I got a lil buzz  
But with you baby, I know that everything really true baby

That's why I (yeah yeah)  
I'ma give, I'ma give, I'ma give  
I'ma give, I'ma give, I'ma give, I'ma give  
Shopping sprees, you know I put some dollars on you  
I wanna fuck in a condo, I had to strike up a convo  
You know it, you know it  
Balling on you, you know I'm ballin' on you, hey  
Splurging on you, you know I'm splurging on you

Tell me that you feeling X-rated  
Let's go half on a baby  
I'm in love with you
