

# Yung Bleu, You'll Be Sorry (feat. Brooklyn Love)

Yo, I meant to hit you back earlier so we can talk about some of the shit we been going through  
I feel like we at a stopping point  
I feel like you at your stopping point

One day you'll see  
But we gotta shake back  
(When I)  
Set you free  
If it's real  
You'll be sorry  
I'm sorry, I'm sorry  
(When I, when I)

And you know I treat you like a token  
Play your cards right and you might just catch a joker  
Cheated on my bitch, I threw a dub at a stroker  
I ain't say a word, she got her legs wide open  
Staring in her eyes and I got caught in the moment  
I let my guard down, looking for guard now  
I gave so much love to the streets that I forgot about you  
All I know, you better never leave, I'd probably die without you  
Daddy never liked me, your mama neither  
Only bitch that took a charge, I'd probably never leave her  
'Fore I let this love die, I'll probably see the reaper  
And she want a brand new bag, I went and did a feature  
You know I love you

One day you'll see  
One day you'll see  
(When I)  
Set you free  
You'll set me free  
You'll be sorry  
(When I, when I)

I hope I never fight these demons again  
I wish that I could see you screaming again  
Came in my life and now you leaving again  
He go to sleep and get to dreaming again  
He see your pictures, get to fiending again  
You got me begging you to see you again  
Hoping I see your face

One day you'll see  
One day you'll see  
(When I)  
Set you free  
You'll set me free  
You'll be sorry  
You'll be sorry  
(When I, when I)  
When I, when I
