

Yung Gravy, Hot Tub (ft. Dillon Francis and T-Pain)

Turn my voice up a little bit
Na-na-na, na-na-na, na-na, na-na-mh
Na-na-na, yeah
There's a whole lotta ass in the hot tub (hot tub)
It's a blast from the past in the hot tub (hot tub)
All she do is throw it back in the hot tub (hot tub)
I might throw a whole stack in the hot tub, baby (hot tub)
Yeah, my phone got wet so I'm glad I got double
Turn on the jets and I slide through the bubbles
Ain't done yet, now yo' bitch tryna cuddle
And her dad came home, looks like trouble
Underwater top, underwater brain
Underwater thots, underwater dames
Underwater top, underwater brain
Gotta lotta thots, gotta lotta names
New bitch named Cassidy (Cassidy)
Shawty got lung capacity (capacity)
Why she keep throwing that ass at me
Damn, she got the audacity
I'm in the tub in a pea coat, yeah (pea coat)
'Bout to catch heat stroke (heat stroke)
While I'm getting my meat stroked
Yeah, top in the speedboat
hot tub
(We fuck around in the) hot tub
(Ooh, what's that sound in the) hot tub?
(You can't drown) in the hot tub
(It's going down in the) hot tub
(We fuck around in the) hot tub
(What's that sound in the)
Got a whole lotta ass in the hot tub
Ooh, can I get a hot tub? (Hot tub)
Everything is still not enough for me
This is not love (not love)
I put the bullet in you like a hot slug, baby (oh)
Nose in it but you're botched up (botched up)
Mannequin girl, I got you propped up (oh)
Long as she keep me topped up, aw shucks
I'm never getting out, I have no doubt
This is my life now, here and right now
Gotta come back in, it's a sin to leave me
I am dry now, oh tonight
There's a whole lotta ass in the hot tub (hot tub)
It's a blast from the past in the hot tub (hot tub)
All she do is throw it back in the hot tub (hot tub)
I might throw a whole stack in the hot tub, baby (hot tub)
hot tub
(We fuck around in the) hot tub
(Ooh, what's that sound in the) hot tub?
(You can't drown in the) in the hot tub
(It's going down in the) hot tub
(We fuck around in the) hot tub
(What's that sound in the)
Got a whole lotta ass in the hot tub
it's T-Pain
(Ooh, what's that sound in the) Dillon Francis
(You can't drown in the) Yung Gravy
(It's going down in the) I got my floaties
