

Yung Joc & 3LW, Bout It

You think you know me but you have no idea
Act like you bout it
Well lemme put this in your ear
If you really bout it
Do like a fus like you dont care
If you bout it
I dont doubt it
Show me that you sure bout it (bout it)
Ill get your mind off ties
Cause the hustla dont stop
If your girl dont chew then my name aint Joc
The money dont flip then the block aint hot
If she dont scream your name then your game just shot
I gotta couple reasons you can call me the boss
Ill drop a couple stacks and watch your ass get lost

Imma get rich and imma die tryin
I aint 50 Cent but respect my mind
Respect my gangsta respect my shine
Put your click in chick if you step outta line
I aint Kanye but I been thru the wire
Couple more albums before I retire
Most of these rappers aint nothin but liars
How are they The Killers when they sing in the choir?
Straight from the bottom and im tryin to get higher
Too many strikes, Got too many priors
Messin with us like playin with fire
Get your wick split, time to meet your messiah
Ive seen it before in a rhyme and a roll
Come and catch up with me baby dont stop
Get to the floor whatchu waiting for
Cause we can ride b straight to the top
Wayy too long and now its the time to show um all that is not a game
Cause I dont care what im lookin like
I just wanna show you that im not goin no where
You think you know me but you have no idea
Act like you bout it
Well lemme put this in your ear
If you really bout it
Do like a fus like you dont care
If you bout it
I dont doubt it

Show me that you sure bout it (bout it)
Now I been walking up this road tryin to find which way to go
Tryin to pull my faith
Sometimes it seems like I dont know
Now I gotta chance to touch ?
And the answers right in front of me
Yeah! Yeah! Yeah!
You think you know me but you have no idea
Act like you bout it
Well lemme put this in your ear
If you really bout it
Do like a fus like you dont care
If you bout it
I dont doubt it
Show me that you sure bout it (bout it)
You think you know me but you have no idea (No Idea!)
Act like you bout it
Well lemme put this in your ear
If you really bout it
Do like a fus like you dont care
If you bout it
I dont doubt it
Show me that you sure bout it (bout it)
