

Yung Joc, I Know You See It (Album Version)

Enny, Meeny, Miny, Mo
How many bitches from the club wan go?
I know you see it
i know you see it

Im like eeny, meeny, miny, mo
how many niggaz in the club wan go?
i know you see it
i know you see it

(verse 1)

Now you can call me tip drill, playing my song
throw a couple ones then she throw away her thong
then she bust it open take a picture with my phone
she love my colonge call it perp by the zone
now she pussy poppin
its goin down
slap the waistress on the booty
tell her get another round
and then I make it rain money all over the ground
fesh force ones sean john button down
and then im like Oh Boy
a clique fulla stars
big fo-fifth big dick and big cars
at the end of the day when
its all said and done,
i need 4 freaks 'cause i need more than one

(chorus)

Enny, meeny, miny, mo
how many bitches from the club wan go?
I know you see it
i know you see it

im like bim, bam, i know you want some, she chewin on the dick like a piece of bubble yum

i know you see it
i know you see it

im like eeny, meeny miny, mo, how many niggaz in the club wan go

i know you see it

i know you see it

and im like bim, bam, i know you want some
ya chewin on the pussy like a piece
of bubble yum
i know you see it
iknow you see it

(verse 2)

i aint neva been the type to show off in the club
real laid back poppin plenty bottles of
bub, don't smoke but i got much purp
get that nigga real high make him slurp it then burp
could you be a groupie i hear ya singing my song
like i see you lemme feel yo tongue
its me miss b nigga let me get you laced
take a step back blow tha pussy in ya face
i aint talkin kush nigga
talkin a rat race
so many to choose from give em all a lil taste

got a house full of pussy the madam of hip hop
my bitches are superstars
so gushy ya need a mop yeah

(repeat the chorus)

I got stacks on deck
snowflakes on my neck
new j's on my feet
make my outfit complete
i know you see it
i know you see it

i got stacks on deck
niggaz love my flow
got a mohawk blowin
air forces dat glow
i know you see it
i know you see it

(chorus)
