

Yung Lean, Damn gud shawty

[Verse:]

Lookin' all pretty in that Hawaiian lookin' shirt
If she tryna flirt, I'mma make that bitch squirt
I'm a young gl-gl-Glock lovin' pervert
Accidentally fallin', cause I wanna see that skirt
Insert then hit the dirt, creepin' round the cut
Prolly throw it up, not throwin' up gang signs
I'm throwin' up guns
Eat her like sushi, then I beat the pussy up
Smoked out with my cock out
Let these hoes know I ain't no boy scout
Tell these faggots not to shout, screamin' out my name
Smoked out with my cock out
Let these hoes know, I ain't a boy scout
Tell these stupid faggots not to shout
Yung Lean Doer gots the chain
That makes all the mentally challenged bitches insane
Sniffin' cocaine, find me in the sewer fuckin' with a cougar
Swear on my mother's life, I ain't gon' die tonight
But I will get high, and ride tonight
And fuck a dyke, cause it's alright
I don't give a fuck paint a subway
Eat a Subway, acid trip all through May
Only fuck bitches that are gay
Lean is immature, what the fuck did you say?!
Pop!

[Outro Sample]

(Lean, Lean, Lean Doer)

Hello this is Gud and thank you for listening to our song and have a great damn day
