

# Yung Lean, Pearl Fountain

[Hook: Yung Lean]

For my set I go in  
So many places I don't know where I've been  
They keep asking me what state I'm in  
So many faces I don't know who I met

[Verse 1: Black Kray]

(Ay, ay)  
Shining, shining foreign ice  
They be crying tears look like foreign ice  
She look scared, need that foreign ice  
Trapping out the Swedish snow, four nights (Ay, trap, trap)  
30 days and 30 nights  
Dirty sad tears just like foreign ice  
Squirting liquid lean in that foreign ice  
Throwing fo's up yelling all aight  
In my Honda  
Countin' guap with Lean, slow  
Hoe's coming over  
Smoking on dro'

[Verse 2: Yung Lean]

(Ballin', Ballin', Ballin', Ballin)  
Riding 'round on chrome  
Don't know what my partner on  
Neon lights all I see, I think I'm gone  
Ice blood on my face, I'm forever thrown  
SBE, we some vampires, Dracula  
I'm in an Acura, hoe I think you stack them up  
I'm not good with calculus, I need a calculator  
Glass elevator, shoes made by alligators  
I'm flying in the sky, feel the air  
I'm heartless, fire flying everywhere  
Let the darkness take my heart  
I put my heart on my sleeve  
I'm stuck forever I could never leave

[Verse 3: Bladee]

Saddest story ever told  
I don't fuck with you I'm always with my bros  
Twenty Thousand Sixteen, I need some gold  
All this money, all this money make me cold  
I said I cared, I really don't  
What you want? I'm always switchin' up my phones  
Where did I go? You'll never know  
Looking for me but I'm buried under snow
