

# Yung Niggas, Terrorizing

I'm Like Jason, I'm Chasing, All Sucker MC's, He's Killing, I'm Chilling, With Rhymes Like These, You Say Your A Menace To Society, But You Ain't Nothing Until You Battled Me, I'm Terrorizing People Of This Neighborhood, Getting Lot's Of Respect And You Wish You Could, I'm Not LL. I Don't Think I'm Bad, Your Girl Is On My Jock And It Makes You Mad, The Terror I Bring, It Will Not Cease, I'm Smashing MC's Like A

Savage Beast, When I Get On The Mic All People Applaud, I Don't Need To Act Brave Cause I'm Already Hard, I Put Fear In Their Hearts When I Walk In The Place, You Can Tell I'm Hard By The Look On My Face, I'm Pulverizing, Not Compromising, MC's And People I'm Surprising, Cause Now There Is A New Terror That's Rising, Come Up Against Me And You'll Be The Next One I'm Victimizing.
