WAZ YO NAME SHAWTY excuse me miss  
May I ask your name and maybe your numba  
So we can arrange a date  
So I can take ya to da movies or  
Maybe we can leave our footprints on da beach  
We can even hit up da jacuzzi  
Or we could held up to da P.E.N.T.  
And lay up in da bed and watch da sunset go down  
And sit back and relax and relax  
I'll rub on ya back and kiss on ya neck  
And rub on ya toes I know you like dat baby  
I'm da prince just tell me watchu need

And we can do our thang...
