

Yuppi Flu, Wheel Deal

Looks like we're home
but chances are gone
as long as we keep on trying
it goes just on and on
baby let's share a toast
cueueing for a fake toilet

hear your diction/sir spell wizard
miles are over /open season

ridin'the road mind the gas
cause it's such a marvellous place
try to go there
cross the water
and if the directions were right
you'll find yourself by my side
legs were broken
so i sold them

lost in my lane
driven insane
deep in the mouth of science
well if i could rewrite as on a level-flight
the words that i used to told her

hear your diction/sir spell wizard
miles are over /open season

plenty of caps to collect
posters and cans in the back
clouds were broken
when i saw them
i payed the room for the night
had something money can't buy
worth a token
left unspoken
