

Yusuf / Cat Stevens, Take The World Apart

Do-do, do-do-do-do-do-do

I'll take the world apart
To find a place for a peaceful heart
I know I've got to find it, although
I break down the Walls of China

I shake the world around
Until my little mellow home is found
I look 'til I find my beauty
I would jump right over Mount Fuji

La, la, la la, la, la, la, la

I'll cross the ocean wide
If I knew it's on the other side
I'll find some boat to sail
Or might have to swim all the way

I'll make the world give up
Until it leads me to the land of love
I'll go any length to see it
Tunnel under the Colosseum, I will

La, la, la la, la, la, la, la

I'll take the world apart
To find a place for a peaceful heart
I know I've got to find it although
I break down the Walls of China, I will

Do-do, do-do-do-do-do-do

I'll take the world apart
