

Yusuf Islam, Maybe There's A World

I have dreamt of a place and time, where nobody gets annoyed,
But I must admit I'm not there yet but Something's keeping me going

Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up o world and let me in,
then there'll be a new life to begin

I have dreamt of an open world,
Borderless and wide
Where the people move from place to place
And nobody's taking sides

Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up a world and let me in,

then there'll be A new life to begin

I've been waiting for that moment
to arrive
All at once the palace of peace
will fill My eyes how nice!

Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up o world and let me in,
then there'll be A new life to begin

I've been waiting for that moment
to arrive
All at once the wrongs of the world,
will be put right how nice!
