Yusuf Islam, Maybe There's A World

I have dreamt of a place and time, where nobody gets annoyed, But I must admit I'm not there yet but Something's keeping me going

Maybe there's a world that I'm still to find Maybe there's a world that I'm still to find Open up o world and let me in, then there'll be a new life to begin

I have dreamt of an open world, Borderless and wide Where the people move from place to place And nobody's taking sides

Maybe there's a world that I'm still to find Maybe there's a world that I'm still to find Open up a world and let me in,

then there'll be A new life to begin

I've been waiting for that moment to arrive All at once the palace of peace will fill My eyes how nice!

Maybe there's a world that I'm still to find Maybe there's a world that I'm still to find Open up o world and let me in, then there'll be A new life to begin

I've been waiting for that moment to arrive All at once the wrongs of the world, will be put right how nice!
