

Zac Brown Band, Toes

I got my toes in the water, ass in the sand
Not a worry in the world, a cold beer in my hand
Life is good today. Life is good today.
Well, the plane touched down just about 3 o'clock
And the city's still on my mind
Bikinis and palm trees danced in my head
I was still in the baggage line
Concrete and cars are there own prison bars like this life
I'm living in
But the plane brought me farther.
I'm surrounded by water
And I'm not going back again
I got my toes in the water, ass in the sand
a worry in the world, a cold beer in my hand
Life is good today. Life is good today.
Adios and vaya con dios
Yeah I'm leaving GA
And if it weren't for tequila and pretty señoritas
I'd have no reason to stay
Adios and vaya con dios
Yeah I'm leaving GA
Gonna lay in the hot sun and roll a big fat one
And grab my guitar and play
Four days flew by like a drunk Friday night as the summer drew to an end
They couldn't believe that I just couldn't leave
And I bid adieu to my friends
Because my bartender she's from the islands
Her body's been kissed by the sun
And coconut replaces the smell of the bar and I don't know if it's her or the rum
I got my toes in the water, ass in the sand
Not a worry in the world, a cold beer in my hand
Life is good today. Life is good today.
Adios and vaya con dios
A long way from the lake
It's where all the muchachas they call me "big poppa" when I throw pesos their way
Adios and vaya con dios
A long way from GA
Someone do me a favor and pass me the Jaeger
And I'll grab my guitar and play
Adios and vaya con dios
Going home now to stay
The señoritas don't care-o when there's no dinero
You got no money to stay
Adios and vaya con dios
Going home now to stay
With my ass in a lawn chair
And toes in the clay
Not a worry in the world a PBR on the way
Life is good today. Life is good today.
