

Zakk Wylde, I Thank You Child

All for you,
Everlasting love forever, skies of blue
All in your heart,
Never ending, just a means for start
(Chorus)
Comfort in your eyes
For the warmth inside your smile
Faith's done gone astray
It was you who made living all worth the while
I thank you my child
It was you who made living all worth the while
I thank you my child
With the touch of your hand
Amidst confusion I can see enough to understand
All my fears repressed
Oh lovin' you, child, it's the best
(Chorus)
You're all & everything to me
Til the end of time, you know you'll always be
Ain't no second guess
Oh you put my worried soul to rest
