

Zakk Wylde, Lead Me To Your Door

Lead Me To Your Door

Broken

I cant use this life anymore

Broken

Everything after and before

Oh, come to me once more

Oh, lead me to your door

Helpless

No tomorrows, no todays

Helpless

What was is now gone astray

Oh, come to me once more

Oh, lead me to your door

Oh, lead me to your door

Oh, come to me once more

Oh, lead me to your door

Oh, lead me to your door
