

Zakk Wylde, Sold My Soul

Without you, woman, by my side
I'm contemplating suicide, torn from all my pride
A man tells me, "son, that ain't the way
Gonna make a deal with you child,
Gonna live another day
Just sign right here, son
Everything will be alright"
(Chorus)
Ain't nothing I wouldn't do
All and everything for you
Your love is all I know and ever knew
Therefore, I have sold my soul for you
I was told by this man it'd be worth my while
He'd return me to my woman
Return me to my smile ----
It's all I ask for in this life
Whatever's wrong, son, he told me he'd make right
Just sign right here child
Everything will be alright
(Chorus)
All for you
(Solo)
Just sign right here son
Everything will be alright
(Chorus)
(Out Solo)
