Zakk Wylde, Stillborn

АНННННННННННННН! АННННННННННННННН!

Blinded Erase what was Stillborn, I have become

The feelings I once felt are now dead and gone I've waited here for you for so very long

So empty Just a shell of a man Stillborn, this I understand

The feelings I once felt are now dead and gone I've waited here for you for so very long

Girl, I've waited here for you, so long Girl, I've waited here for you for you

The feelings I once felt are now dead and gone I've waited here for you for so very long

Girl, I've waited here for you so long Girl, I've waited here for you so long Girl, I've waited here for you so long I waited here for you for you
