

# Zakk Wylde, Too Tough To Die

Take me through this darkness  
Carry me through this world  
Insane and lost confusion  
Forever always pushing for more

No, you can't cry  
Oh, you can't cry  
When you're too tough to die

This grave which bares my soul  
This grave which bares my name  
Lord I ask no questions  
Hold me once again

Forever high
