

Zap Mama, Ya Solo

Ena weyo
Aku kiy manio
O lili a ooo (ndje ndje ndje ndje vugba ya solo)

And when the night falls
Starts the magic so bright
The fire of passion becomes very bright

Ena weyo
Aku kiy manio

O lili a ooo

And at sunrise
I smell the sweet of love
I feel the essence of our fusion
No confusion

Ena weyo
Aku kiy manio
O lili a ooo
