Your heart is mine gazelle
I loved you in the spring gazelle
If the world was full of beauty
I would still love you gazelle
If the world was full of beauty
I would still love you gazelle
If the world was full of beauty
I would still love you gazelle

You have so many lovers
And eyelashes like arrows
I am crazy for you
I am crazy for you
But you are unaware
I am crazy for you gazelle
But you are unaware gazelle
I am crazy for you gazelle

But you are unaware gazelle

No stars and no moon gazelle
No fall without a summer gazelle
If the heart loves a beauty gazelle
It will not see any other gazelle
If the heart loves a beauty gazelle
It will not see any other gazelle
If the heart loves a beauty gazelle
It will not see any other gazelle

You have so many lovers
And eyelashes like arrows
I am crazy for you
I am crazy for you
But you are unaware
I am crazy for you gazelle
But you are unaware gazelle
I am crazy for you gazelle
But you are unaware gazelle

I am crazy for you gazelle
But you are unaware gazelle
I am crazy for you gazelle
But you are unaware gazelle
