

Zara Larsson, Ruin My Life

I miss you pushing me close to the Edge
I miss you
I wish knew what I had when I left
I miss you

you set fire to my world
couldn't handle the heat
now I'm sleeping alone
and I'm starting to freed
baby come bring me help
let it rain over me
baby, come back to me

I want you to ruin my life
you to ruin my life
I want you to fuck up my nights
fuck up my nights
all of my nights
I want you to bring it all on
if you make ut all wrong
that'll make it all right

I want you to ruin my life
you to ruin my life
I want you to ruin my life
you to ruin my life
you to ruin my life
I want you to fuck up my nights
fuck up my nights
all of my nights

I want you to bring it all on
if you make it all wrong
that'll make it all right
I want you to ruin my life
you to ruin my life
you to ruin my life

I miss you more than I thought that ui could
I miss you
I know you missin' me too like you should
I miss you

you set fire to my world
couldn't handle the heat
now I'm sleeping alone
and I'm starting to freed
baby come bring me help
let it rain over me
baby, come back to me

I want you to ruin my life
you to ruin my life
I want you to fuck up my nights
fuck up my nights
all of my nights
I want you to bring it all on
if you make ut all wrong
that'll make it all right

I want you to ruin my life
you to ruin my life
I want you to ruin my life
you to ruin my life

you to ruin my life
I want you to fuck up my nights
fuck up my nights
all of my nights

I want you to bring it all on
if you make it all wrong
that'll make it all right
I want you to ruin my life
you to ruin my life
you to ruin my life

I miss you,
I miss you
I wish you
o wish you
would come back
would come back to me
come back to me, come back to me

I want you to ruin my life
you to ruin my life
I want you to fuck up my nights

I want you to bring it all on
if you make ut all wrong
that'll make it all right
