&lt;/lyrics&gt;

You grumble and wander around  
In a foreign and far away land  
To Baghdad you have been  
Have you been there too, oh crane  
In the city of Medine have you seen  
My lord, the sacred land  
Oh crane, Oh crane, Oh crane  
Oh crane, in the shrine you have seen  
In the city of Medine have you seen  
My lord, the sacred land  
Oh crane, Oh crane, Oh crane  
Oh crane, in the shrine you have seen  
The daughter of the prophet  
My beloved my lord  
My rose, my beloved  
Have you payed respect  
At the shrine oh crane, Oh crane  
Have you payed respect  
At the shrine oh crane, Oh crane

The talisman is in the hands of the wise men  
Did you honour the saintly men oh crane  
Oh beloved, oh friend, oh friend  
Oh dearest friend give me your hand

Let us go says the servant of god Hseyin  
Let us go and pay respect to the shrine  
Let us sacrifice ourselves and see our friends  
Have you found these secrets too oh crane  
Oh beloved, oh friend, oh friend  
Oh dearest friend give me your hand

Oh beloved on the highlands, oh friend  
Oh beloved, friend, dearest friend  
Let the whirling dervishes sit over here
