

# Zascha Moktan, Ouch

Uh uh  
Ou  
Yeah  
Youre bored in your home  
But me Im alone  
But I dont give a damn baby  
Cause no I wont you back  
To me youre a crab  
And life has just started  
Without my baby  
First no one it takes  
Now take a break if you need a break  
Ou chill  
Just without you my baby  
Yeah yeah  
Yeah yeah  
Dont wanna stop but I think you already did  
You Knocked me out my baby  
Yeah  
Ouch!  
Remember me,  
It was all about you baby  
Now !  
Look at me  
I am pleased my soul but lately  
Now what I got to do  
I aint nobodys fool  
What I got to say  
And nothing you can pay but baby  
Ohhh please,  
Quit fading me  
Yeah  
I wasnt deep, you were the one  
We do any right baby  
I gave what I got but  
But what did you give  
Cause you throwed it and moaned it  
When she came your way  
The chapter that I have  
I get from myself if I get a help  
So I chill  
Just without you my baby  
Yeah yeah yeahhh  
Dont wanna stop but I think you already did  
You Knocked me out my baby  
Yeah  
Ouch!  
Remember me,  
It was all about you baby  
Now !  
Look at me  
I am pleased my soul but lately  
Now what I got to do  
I aint nobodys fool  
What I got to say  
And nothing you can pay but baby  
Ohhh please,  
Quit fading me  
When butterflies  
To compromise  
And I stand hard  
Hurting feelings inside  
Yeah  
Ouch!

Remember me,  
It was all about you baby  
Now !  
Look at me  
I am pleased my soul but lately  
Now what I got to do  
I aint nobodys fool  
What I got to say  
And nothing you can pay but baby  
Ohhh please,  
Quit fading me  
Ouch!  
Remember me,  
It was all about you baby  
Now !  
Look at me  
I am pleased my soul but lately  
Now what I got to do  
I aint nobodys fool  
What I got to say  
And nothing you can pay but baby  
Ohhh please,  
Quit fading me  
Yeah yeah oh  
Quit fading me  
Yeah yeah eh  
Quit fading me
