

Zaunpfahl, George W.

"Hi, George"
Hello George W.
Listen to me please
Take a little time just for yourself
Go take your dog for a Walk
Sit with your family and talk
Just - please - get better and just be yourself

Ohh, Ohh, George W.
Ohh, Ohh, George W.

Go out once more to the shops
At the brothel drink some schnapps
On the White House you can turn your back
Rent a yacht and learn to sail
With some friends you can catch a whale
We all need peace and quite and so do you

Ohh, Ohh, George W.
Ohh, Ohh, George W.

Pick a book and read again
Learn the guitar and write a song
Maybe about evil governments
Close yourself up in your house
Just let your hair down again
When we need you we'll simply let you know

Ohh, Ohh, George W.
