

Zayn Malik, Better

Hope i only leave good vibes
On your living room floor
It hurt so bad that i didn't when you asked for more
Your dad probably loves me more then b ever did now
Caus ei finnally got out
Yaeh, we finnally knocked down

Cause sometimes it's better that way
Gotta let it go so your heart don't break
Cause i love you
Baby i love you
Just thi some time hear what i am tryna say
Kno wyou might not feel quite the same way
But i love you
I tell you, i love you

Why?
Why wait to fight?
Give it a try
Or i'll say goodnye while i's right
Can we save tears on your eyes
I am making you cry
Why wait to hate?
Can we save love?

I fell in
I am falling
I am for you
I can't let you fall through the floor too
It's a gamble to take any more of you
It's a gamble to take any more of you

Still in my mind sometimes
I must admit it
Like it's a crime on trial
I got acquitted
Me and you wasn't meant
We wasn't fitted
Like it's a glove
I hated to admit it

Cause obviously we go back
So why would we run that?
In too eep, we're rearranged
Now you wanna sak for manes
We can't let this fruit go bad
Saying this we can't take back
In too eep, we're rearranged
Say you feel the same

Why?
Why wait to fight?
Give it a try
Or i'll say goodnye while i's right
Can we save tears on your eyes
I am making you cry
Why wait to hate?
Can we save love?
