Zayn Malik, I Don't Wanna Live Forever

I've been sitting eyes wide open behind these four walls, hoping you'd call
It's just a cruel existence like there's no point hoping at all

Baby, baby, I feel crazy,
Up all night, all night and every day
Give me something,
But you say nothing
What is happening to me?

I don't wanna live forever,
Cause I know I'll be living in pain
And I don't wanna fit wherever
I just wanna keep calling your name
Until you come back home
I just wanna keep calling your name
Do you come back home?
I just wanna keep calling your name
Do you come back home?

I'm sitting eyes wide open and I got one thing stuck in my mind
What if I dodged a bullet or just lost the love of my life?

Baby, baby, I feel crazy,
Up all night, all night and every day
I gave you something,
But you gave me nothing
What is happening to me?

I don't wanna live forever,
Cause I know I'll be living in pain
And I don't wanna fit wherever
I just wanna keep calling your name
Until you come back home
I just wanna keep calling your name
Do you come back home?
I just wanna keep calling your name
Do you come back home?

I've been looking sad in all the nicest places
Baby, baby, I feel crazy
I see you 'round in all these empty faces
All night, all night and every day
I've been looking sad in all the nicest places
Give me something,
But you say nothing
Now I'm in a cab, I tell them where your place is
What is happening to me?

I don't wanna live forever,
Cause I know I'll be living in pain
And I don't wanna fit wherever
I just wanna keep calling your name
Until you come back home
I just wanna keep calling your name
Do you come back home?
I just wanna keep calling your name
Do you come back home?
