

# Zayn Malik, Love Like This

Oh, I love it when you show, when you show  
When you show that you got my back  
If they ever try to roll, try to roll  
Try to roll on your name, I black  
How you hit 'em with the clothes and the stare  
And the hips and the hair like that  
Got me all up in the zone, in the zone  
In the zone, in the zone like

I don't wanna waste no time  
I don't wanna waste no time 'cause  
You are the, you are the crown  
I just wanna take your time and  
Everything is on the line, but I would rather be dead  
If it's gonna mean a life that's lived without you, baby

I guess that's love like this  
Usually, I never wanna jump like this  
But I think I wanna dump my chips 'cause  
I cannot go back  
I guess that's faith like this  
Give you everything and you can skate like this (Woo)  
But I think I gotta take that risk 'cause  
I cannot go back

And I'm lovin' what you say, what you say  
What you say when you're on my line  
If I never make it back, make it back  
Make it back from the chase, I'm fine  
Doesn't matter if it's left or it's right  
Your direction is on my mind  
Got me all up in the zone, in the zone  
In the zone, in the zone like

I don't wanna waste no time  
I don't wanna waste no time 'cause  
You are the, you are the crown  
I just wanna take your time and  
Everything is on the line, but I would rather be dead  
If it's gonna mean a life that's lived without you, baby

I guess that's love like this  
Usually, I never wanna jump like this  
But I think I wanna dump my chips 'cause  
I cannot go back  
I guess that's faith like this  
Give you everything and you can skate like this (Woo)  
But I think I gotta take that risk 'cause  
I cannot go back

[Post-Chorus]

One kiss, I am wrapped  
Two, four, six, my jack  
All I know is that  
I cannot go back  
One kiss, I am wrapped  
Two and I'm attached  
All I know is that  
I cannot go back

I don't wanna waste no time  
You are the cr, you are the crown  
Everything is on the line, but I would rather be dead  
If it's gonna mean a life that is lived without you, baby

I guess that's love like this  
Usually, I never wanna jump like this  
But I think I wanna dump my chips 'cause  
I cannot go back  
I guess that's faith like this  
Give you everything and you can skate like this  
But I think I gotta take that risk 'cause  
I cannot go back

I cannot go back  
I cannot go back  
But I think I gotta take that risk 'cause  
I cannot go back
