

Zayn Malik, Rainberry

Rainberry please
you think I'm on my knees
but don't you worry
I know what you don't know
don't even start
the truth won't break my heart
No don't you worry
I already know

too many bones inside your closet
you thought you buried deep
but they never let me get a minute of peace
how do you sleep

Rainberry falling down
your blood red lips
why are your eyes heavy
is there somebody else you missed
tell me what's going on
before I go too far
said Rainberry
is there somebody else
somebody else now

dry your eyes
cuz it won't work this time
I already dried mine
and I won't drown in yours
go wash your hands
but you can't change your past
those stories ain't shit now
you don't mean it I'm sure

too many bones inside your closet
you thought you buried deep
but they never let me get a minute of peace
how do you sleep

Rainberry falling down
your blood red lips
why are your eyes heavy
is there somebody else you missed
tell me what's going on
before I go too far
said Rainberry
is there somebody else
somebody else now

Rainberry please
