

# Zayn Malik, River Road

We don't define each other  
Stand on your own  
Be a pillar  
Lay on my pillow  
Ain't fairly new to each other  
Call you my lover  
Dinks to my liver  
I cried now a river full of tears

Don't you ever hope for something else!  
Don't you ever hope for something else!

Breeze outside my window turned to color  
Know that i will see the sun again  
Leaves have turned into a tont of orange  
Answers that will lie inside myself  
What will i leave behind me?  
Where will i choose to go?  
Tell the truth  
I am tired of falling  
When i am floating  
I am closer to you  
We can't control all the outcomes  
Let go of the reins  
Ride the rhythm  
Doubled my vision  
Ain't fairly new to this feeling  
Sarchong for meaning  
Still don't believe it  
Stopped at te ceiling  
All tehse  
Lighty floating ecstasy

Don't you ever hope for something else!
