

# Zayn Malik, Stardust

Pretty Christmas on a cardboard cup  
I wait outside for you to pick me up  
There's somethin' different in the way you touch  
Different in the way you love  
Different in the way you love

Feels like stardust  
Floatin' all around us  
Shootin' right across a  
Big black sky  
Feels like stardust  
Fallin' all around us  
Funny how it found us  
Pretty high, pretty high  
(Yeah, yeah, yeah, yeah)

I found perfume in a magazine  
Oh-oh, oh-oh  
Fall off places in the moonlit scene  
Hey-hey-hey (Hey-hey-hey)  
And I love to be there with you  
And I love to be there with you  
'Cause you make anywhere at all

Feels like stardust  
Floatin' all around us  
Shootin' right across a  
Big black sky  
Feels like stardust  
Fallin' all around us  
Funny how it found us  
Pretty high, pretty high  
(Yeah, yeah, yeah, yeah)

Feels like stardust  
Floatin' all around us  
Shootin' right across a  
Big black sky  
Feels like stardust  
Fallin' all around us  
Funny how it found us  
Pretty high, pretty high  
Pretty high
